

Ask your driver to take you to The Green Iguana Hotel next to Blackbeard's Castle.

Driving instructions from the airport:

After leaving the airport, drive straight ahead - over all the speed bumps. Do not turn until you get to the stoplight at the end of the airport road. At the stoplight, make a right turn onto Route 30. Be sure to turn into the left lane, as we drive on the left. An easy way to remember which lane to be in is "keep your elbow to the sidewalk"!

Continue on Veteran's Drive (Hwy 30) 15 traffic lights to Hospital Gade (Hwy 35). (You will see a large parking lot where police cars park.)

Turn left at Hwy 35 and continue through the STOP LIGHT to the STOP SIGN at Maude Proudfoot Drive.

Turn left again, however be care as traffic approaching from the right does not stop, and drive up the hill.

Turn left into the second road and take the left drive up the hill to The Green Iguana Hotel. You will see The Green Iguana Hotel on the right. You may park in any available parking spot that are reserved for our Guests.
